GETTING FIBERS INTO SHAPE

Clean stripper rolls due to

contact cleaning

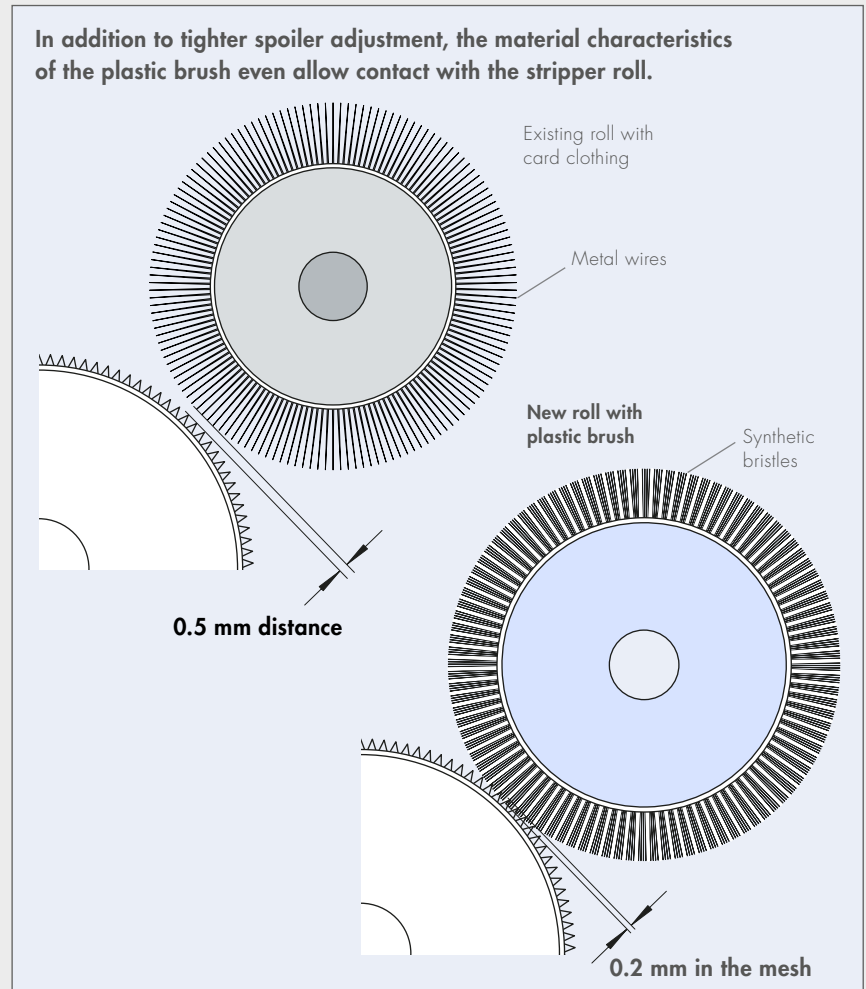

TRÜTZSCHLER SPINNING

www.truetzschler.com

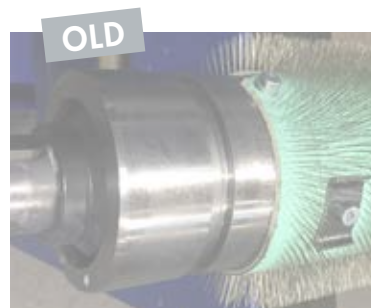

Retrofitting of card stripper roll with plastic brush

ADVANTAGES:

- Improved cleaning due to contact with stripper roll
- Lap-free stripper roll and stripper cleaning roll
- Optimised flow conditions
- Attachments are not damaged by plastic brush – no scratches from metal wires
- Easy to service:
 - No time-consuming re-clothing
 - Easy to replace
- Longer service life

Retrofitting starts with Card TC 03
